Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 4-6 pieces of pottery from this class. Students will be able to glaze their pottery on Friday. Pottery will be left at the Art Center to be fired over the weekend; pottery will be able to be picked up the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p>	<p>Glass Fusing with Penny Henthorne  <i>Ages 8-12</i>          Create multiple fused glass pieces and faux stained glass! Campers will create glass coasters and suncatchers with colored frits and inks. The class will also explore stained glass patterns and techniques to create faux stained glass. Campers will also gain knowledge of glass kilns. You can expect 3-4 projects from this class.</p>
<p>Abstract Expressionism with Catherine “Baba Yaga” Gurri  <i>Ages rising 1st graders - 8</i>          This class is perfect for young artists who love to paint! We will explore the concept of nonrepresentational abstraction (art doesn't have to look like something!) and experiment using a variety of techniques and styles. We will be using mostly acrylic paints to create several masterpieces. Students will learn about and see examples from famous abstract artists like Lee Krasner, Willem deKooning, and Frank Stella. We will create around 4 finished artworks for you to take home.</p>	<p>Comics: Bringing Our Stories to Life with Anwar Hanano  <i>Ages rising 2nd graders - 9</i>          Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p>
<p>Fibers with Sey Bryant  <i>Ages rising 2nd graders - 9</i>          Creating art with fabric allows for students to make beautiful works full of texture and pattern! Students will explore various ways to use fabric: weaving, batik, collage, dyeing, slashing, and sewing! Students can expect to bring home 2-4 projects and the class will create a collaborative quilt pattern that will hang in the art show. All materials are provided, but students are welcome to bring favorite fabric scraps from home.</p>	<p>Film: Who Dunn It? with Alex and Rosalie  <i>Ages rising 2nd graders - 9</i>          This week in film, campers will be focused on mysteries! Come join us to learn about the process of filmmaking. Imagination will come to life as students write and produce their own short film. Students will learn about camera equipment, directing, screenwriting, and editing! A great opportunity for creative youth to work collaboratively.</p>

<p>Art Junior with Kaleigh “Ms. Maple” Bolin  <i>Ages 3- rising 1st graders</i>          Art Junior is a creative space for 3-6yr kids to learn about artmaking.
