

JUNE 3-7
WEEK 1

| | |
|--|--|
| <p>Art Junior <i>Ages 3- rising 1st graders</i> We are happy to announce the return of Art Junior for the first three weeks of camp! Art Junior is a creative space for 3-6yr kids to learn about artmaking. Your little artist will learn about color, shape, visual rhythm, and visual movement while creating 4-6 projects. Students will be able to explore varied textures and sensory experiences while creating art. Please dress accordingly- although we will offer small aprons, we invite our students to get messy! You can expect 4-5 pieces from this class, and we will hold on to one project for our Art Show on July 20th. All Art Junior students must be potty trained.</p> | <p>Mixed Media Madness <i>Ages 8-12</i> Working with mixed media gives you the opportunity to use a variety of materials. Students will layer paper, paint, fabric, photos, and found objects onto flat surfaces. Combinations are endless, and students will be able to explore which mediums they like best! Students can expect 4-5 unique pieces from this class, with one piece being kept for the Art Show on July 20th!</p> |
| <p>Pottery: Handbuilding <i>Ages 6-9</i> Let's make things out of clay- with our hands! Learn how to build clay objects with coils, slabs, and other traditional hand-building techniques. Students will experience multiple stages of the pottery process: making, trimming, carving, and glazing! Kilns and firing processes will be discussed, and students will make 2-4 projects. Pottery will be left at the Art Center on Friday to be fired over the weekend and picked up the following week. Dress accordingly- this class can get messy! Aprons will be offered.</p> | <p>Pottery: Wheelthrowing <i>Ages 10-12</i> Try your hand at the potters wheel! Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 6-8 pieces of pottery from this class. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> |
| <p>Wet Felted Art Pieces <i>Ages 8-12</i> Get ready for a unique way to create art! Students will learn about sculpting with wool fibers, and use them to create 3-5 projects! Students will roll wool into puffy, soft sculptures and stretch wool into beautiful 2d landscapes. Mushrooms, animals, bugs, and leaves are a few possibilities! A collaborative sculpture of a woodland scene will be on display at the Art Show on July 20th.</p> | <p>Film <i>Ages 8-12</i> Film is back for another year of crazy creativity! One of our most popular classes, film camp allows your little artist to really stretch their imagination. Students will create screenplays, cast actors, digitally shoot their ideas, and edit the clips into a movie masterpiece! Students will create a short film every day; films will be uploaded to an unlisted Youtube account to be viewed by parents the following week.</p> |
| <p>Let's Draw Animals! <i>Ages 8-12</i> Are you an animal lover? This is the class for you! Together we will learn to draw any animal- from frogs to hyenas! After choosing animals, we will talk about their differences, and learn to draw them by using basic shapes. By the end of this week students will have at least 5 drawings of different animals and the confidence to draw them by long after class is over!</p> | <p>Comics: Bringing Our Stories to Life <i>Ages 6-9</i> Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> |
| <p>Painting Through History <i>Ages 6-9</i> Students will learn about 4 different movements in art history, and spend time creating a painting about each one! Pop Art, Surrealism, Art Nouveau, and Cubism will be discussed throughout the class. Watercolor, acrylic, collage, and various drawing techniques will be explored! Students can expect to create 5 pieces, with one of them being kept for the Art Show on July 20th.</p> | <p>Create Your Own Plushie <i>Ages 6-9</i> Has your child ever wanted to design their own stuffed toy? Here is their chance! Each student will design their own unique, fun creature and turn them into a plush toy. Together we will learn about safe sewing as we practice simple stitches with embroidery thread. Students will learn to assemble felt, thread, stuffing, and buttons to create a treasured stuffed animal.</p> |

JUNE 10-14
WEEK 2

| | |
|--|--|
| <p>Art Junior <i>Ages 3- rising 1st graders</i> We are happy to announce the return of Art Junior for the first three weeks of camp! Art Junior is a creative space for 3-6yr kids to learn about artmaking. Your little artist will learn about color, shape, visual rhythm, and visual movement while creating 4-6 projects. Students will be able to explore varied textures and sensory experiences while creating art. Please dress accordingly- although we will offer small aprons, we invite our students to get messy! You can expect 4-5 pieces from this class, and we will hold on to one project for our Art Show on July 20th. All Art Junior students must be potty trained.</p> | <p>Photography <i>Ages 10-12</i> Students will become familiar with photography concepts and techniques while shooting still life, portait, and action shots. Design elements like composition, movement, and the rule of thirds will be discussed. Students will also explore editing processes and photoshop! Young artists will be able to take home a portfolio of 5-10 photos.</p> |
| <p>Pottery: Wheelthrowing <i>Ages 10-12</i> Try your hand at the potters wheel! Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 6-8 pieces of pottery from this class. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> | <p>Pottery: Handbuilding <i>Ages 6-9</i> Let's make things out of clay- with our hands! Learn how to build clay objects with coils, slabs, and other traditional hand-building techniques. Students will experience multiple stages of the pottery process: making, trimming, carving, and glazing! Kilns and firing processes will be discussed, and students will make 2-4 projects. Pottery will be left at the Art Center on Friday to be fired over the weekend and picked up the following week. Dress accordingly- this class can get messy! Aprons will be offered.</p> |
| <p>Textile Art: Fiber and Fabric! <i>Ages 8-12</i> Creating art with fabric allows for students to make beautiful works full of texture and pattern! Students will explore various ways to use fabric: weaving, batik, collage, dyeing, slashing, and sewing! Students can expect to bring home 2-4 projects and the class will create a collaborative quilt pattern that will hang in the art show. All materials are provided, but students are welcome to bring favorite fabric scraps from home.</p> | <p>Bookmaking <i>Ages 6-9</i> Learn to create your own sketchbooks and art books! Students will learn what it takes to create their own book. Activities include paper marbling, deconstructing old books, sewing leaves of paper together, and binding. Explosion books, accordion books, and traditional bound books will all be explored! A collaborative art book will be kept for the art show on July 20th, and students will bring home 2-4 projects.</p> |
| <p>Let's Draw Your Pet! <i>Ages 6-9</i> Let's learn how to draw your pet- tarantulas, dogs, guinea pigs, and imaginary pets are all welcome! Have you tried drawing them? What would they look like wearing a hat? Together we will learn different ways to draw our pets, and add pet accessories to create unique pet portraits. By the end of the week you will have at least 5 finished drawings of your pet or the pet of your dreams. One piece will be kept for the Art Show on July 20th.</p> | <p>Comics: Bringing Our Stories to Life <i>Ages 8-12</i> Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> |
| <p>Adventures in Paint! <i>Ages 6-9</i> Do you like to paint? Jump into the world of painting in this week long class for 6-9 year olds. We will learn about and paint with acrylics, watercolor, and tempera exploring how each type of paint works differently. Expect to create 4-5 fabulous paintings, one of which will be hung in the Art Show on July 20th!</p> | <p>Paint Like a Pro! <i>Ages 10-12</i> Do you want to up your game when you paint? Then this is the class for you. During this week long class we'll work with watercolor and acrylic paint learning techniques including color mixing and glazing to grow your painting skills. We'll complete 4-5 realistic and abstract paintings in this class. One painting will be kept to hang in the Art Show on July 20th!</p> |

JUNE 17-21
WEEK 3

| | |
|--|--|
| <p>Art Junior <i>Ages 3- rising 1st graders</i></p> <p>We are happy to announce the return of Art Junior for the first three weeks of camp! Art Junior is a creative space for 3-6yr kids to learn about artmaking. Your little artist will learn about color, shape, visual rhythm, and visual movement while creating 4-6 projects. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> |
| <p>Masks and More Masks! <i>Ages 6-9</i></p> <p>Young artists will get to explore identity as they create character and creature masks! Campers will learn to take a 2d design and sculpt a 3d wearable piece of art. Campers will experience the principles of sculpture as they create with cardboard, paper mache, and spackle! You can expect 3 finished masks from this class, with one being hung in the Art Show on July 20th!</p> | <p>Illustration Icons <i>Ages 10-12</i></p> <p>Campers will look through storybooks from beloved illustrators and discuss what makes each style unique. Using their new knowledge, campers will try their hand at each style with pencil, paint, and collage! Campers can expect 4 finished pieces from the week, with one piece being shown in the Art Show on July 20th.</p> |
| <p>Drawing the Great Outdoors <i>Ages 8-12</i></p> <p>Have you ever brought a sketchbook with you on a walk? Do you like drawing flowers, mushrooms, or trees? If you enjoy being outside, this class will teach you about the natural world and how to draw it. We will draw flowers, plants, mushrooms, bugs, and other creatures that live around us. At the end of this class we will have created at least 5 illustrations of nature, one of which will be displayed in the Art Show on July 20th!</p> | <p>Comics: Bringing Our Stories to Life <i>Ages 6-9</i></p> <p>Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> |
| <p>Photography <i>Ages 10-12</i></p> <p>Students will become familiar with photography concepts and techniques while shooting still life, portait, and action shots. Design elements like composition, movement, and the rule of thirds will be discussed. Students will also explore editing processes and photoshop! Young artists will be able to take home a portfolio of 5-10 photos.</p> | <p>Printmaking <i>Ages 10-12</i></p> <p>Printmaking is an amazing alternative to traditional drawing! We will create Linocuts by carving an image into a soft linoleum block and printing it on paper. In this class we will learn carving and composition and introduce watercolor and other media to our prints. Campers can expect 4-6 prints to take home!</p> |

JUNE 24-28
WEEK 4

| | |
|--|--|
| <p>Film Ages 6+ Film is back for another year of crazy creativity! One of our most popular classes, film camp allows your little artist to really stretch their imagination. Students will create screenplays, cast actors, digitally shoot their ideas, and edit the clips into a movie masterpiece! Students will create a short film every day; films will be uploaded to an unlisted Youtube account to be viewed by parents the following week.</p> | <p>Film Ages 8-12 Film is back for another year of crazy creativity! One of our most popular classes, film camp allows your little artist to really stretch their imagination. Students will create screenplays, cast actors, digitally shoot their ideas, and edit the clips into a movie masterpiece! Students will create a short film every day; films will be uploaded to an unlisted Youtube account to be viewed by parents the following week.</p> |
| <p>Pottery: Wheelthrowing Ages 10-12 Try your hand at the potters wheel! Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 6-8 pieces of pottery from this class. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> | <p>Pottery: Handbuilding Ages 6-9 Let's make things out of clay- with our hands! Learn how to build clay objects with coils, slabs, and other traditional hand-building techniques. Students will experience multiple stages of the pottery process: making, trimming, carving, and glazing! Kilns and firing processes will be discussed, and students will make 2-4 projects. Pottery will be left at the Art Center on Friday to be fired over the weekend and picked up the following week. Dress accordingly- this class can get messy! Aprons will be offered.</p> |
| <p>Portraiture with a Twist! Ages 8-12 Does it seem intimidating to draw a portrait? Join this class for approachable techniques for drawing faces! Young artists will explore realistic and abstract self portraits. Campers will learn the proportions of the face and how to draw facial features. They will experience charcoal, ink, and paint as they create 5 projects based on the human face!</p> | <p>Creepy Crawlies Ages 6-9 This class is for the kids who loves invertebrates! Campers will create paintings, collages, and sculptures based on their favorite bugs! They will learn about the special characteristics and textures that make up their favorite crawlers. You can expect your campers to take home 4 projects from this class!</p> |
| <p>Comics: Bringing Our Stories to Life Ages 6-9 Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> | <p>Let's Make a Mess: Pet Edition Ages 8-12 In this class we will create illustrations of our favorite subject matter- our pets! Campers will paint with watercolors and acrylics, as well as ink and colored pencils. Each day we will try a different medium and learn how to illustrate our pets. By the end of this class, we will have at least 5 different illustrations of our beloved pets!</p> |
| <p>Textile Art: Fiber & Fabric! Ages 6-9 Creating art with fabric allows for students to make beautiful works full of texture and pattern! Students will explore various ways to use fabric: weaving, batik, collage, dyeing, slashing, and sewing! Students can expect to bring home 2-4 projects and the class will create a collaborative quilt pattern that will hang in the art show. All materials are provided, but students are welcome to bring favorite fabric scraps from home.</p> | <p>Henna + Abstraction Ages 8-12 Time to dive into a world of beautiful pattern! Campers will learn about Indian culture as they create beautiful patterns with paint and henna. Jyoti will teach students to create henna cones with powder and learn the delicate practice of creating patterns on skin and paper. Campers will be able to create unique designs with Kundan (gem) and glitter henna. The class will also discuss abstraction, with campers creating 2-3 abstract paintings with watercolor.</p> |

JULY 8-12
WEEK 5

| | |
|--|---|
| <p>Textile Art: Fiber & Fabric! <i>Ages 8-12</i> Creating art with fabric allows for students to make beautiful works full of texture and pattern! Students will explore various ways to use fabric: weaving, batik, collage, dyeing, slashing, and sewing! Students can expect to bring home 2-4 projects and the class will create a collaborative quilt pattern that will hang in the art show. All materials are provided, but students are welcome to bring favorite fabric scraps from home.</p> | <p>Film <i>Ages 7+</i> Film is back for another year of crazy creativity! One of our most popular classes, film camp allows your little artist to really stretch their imagination. Students will create screenplays, cast actors, digitally shoot their ideas, and edit the clips into a movie masterpiece! Students will create a short film every day; films will be uploaded to an unlisted Youtube account to be viewed by parents the following week.</p> |
| <p>Pottery: Handbuilding <i>Ages 6-9</i> Let's make things out of clay- with our hands! Learn how to build clay objects with coils, slabs, and other traditional hand-building techniques. Students will experience multiple stages of the pottery process: making, trimming, carving, and glazing! Kilns and firing processes will be discussed, and students will make 2-4 projects. Pottery will be left at the Art Center on Friday to be fired over the weekend and picked up the following week. Dress accordingly- this class can get messy! Aprons will be offered.</p> | <p>Pottery: Wheelthrowing <i>Ages 10-12</i> Try your hand at the potters wheel! Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 6-8 pieces of pottery from this class. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> |
| <p>Art of the Ancient World <i>Ages 6-9</i> Making paint out of mud? No way! Campers will dive into ancient art and artifacts- from cave painting to Greek vases and beyond! We will have our hands on traditional materials (paint, charcoal) and unconventional materials like dirt and cardboard. Students can expect four projects from this class.</p> | <p>Different Ways to Draw <i>Ages 10-12</i> This class is for the kid who never stops drawing! Campers will explore the ways to make marks on paper. Graphite, charcoal, inks, and more! Students will play with different styles, and become familiar with longer drawing sessions. A great place for avid doodlers and designers to learn new drawing techniques. You can expect four pieces from this class, one of which will be displayed at the Art Show.</p> |
| <p>Comics: Bringing Our Stories to Life <i>Ages 8-12</i> Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> | <p>Let's Make a Mess: Animal Edition <i>Ages 6-9</i> In this class we will create illustrations of our favorite animals- real or imaginary! Campers will paint with watercolors and acrylics, as well as ink and colored pencils. Each day we will try a different media and learn how to illustrate the many animals that roam our world. By the end of this class, campers will have at least 5 different illustrations of their chosen animals!</p> |
| <p>Printmaking <i>Ages 10-12</i> Printmaking is an amazing alternative to traditional drawing! We will create Linocuts by carving an image into a soft linoleum block and printing it on paper. In this class we will learn carving and composition and introduce watercolor and other media to our prints. Campers can expect 4-6 prints to take home!</p> | <p>Penny's Paint Puddle <i>Ages 6-9</i> The possibilities with paint are endless; join Ms. Penny as we explore them all! First, students will learn about the color wheel while creating a mandala on canvas. Campers will discover painting techniques like pouring, marbling, and splattering! Campers will create 5-6 finished pieces, with one canvas being held for the Art Show on July 20th!</p> |

JULY 15-19
WEEK 6

| | |
|--|---|
| | |
| <p>Pottery: Wheelthrowing <i>Ages 10-12</i> Try your hand at the potters wheel! Students will learn the fundamentals of wheelthrowing: centering, pulling, trimming, and carving. You can expect 6-8 pieces of pottery from this class. One piece from each student will be kept for the art show on July 20th. Students will glaze their pottery on Friday, then fired over the weekend for pickup the following week. This class is VERY messy, dress accordingly! Aprons will be offered.</p> | <p>Pottery: Handbuilding <i>Ages 6-9</i> Let's make things out of clay- with our hands! Learn how to build clay objects with coils, slabs, and other traditional hand-building techniques. Students will experience multiple stages of the pottery process: making, trimming, carving, and glazing! Kilns and firing processes will be discussed, and students will make 2-4 projects. Pottery will be left at the Art Center on Friday to be fired over the weekend and picked up the following week. Dress accordingly- this class can get messy!! Aprons will be offered.</p> |
| <p>Still Life: Break the Rules <i>Ages 10-12</i> Let's hone the skill of replicating what you see! Campers will create a still life of their favorite objects and learn traditional techniques to draw what they see. Then, they will bend the traditional rules to create new abstract and expressive paintings of their favorite objects! Young artists will get their hands in multiple mediums during this class, and can expect 4 finished pieces!</p> | <p>Monsters and Myths <i>Ages 6-9</i> Let's create a fantasy! Campers will hear beloved stories and myths and create their own world. Their characters and storylines will come to life through painting, collage, and sculpture. Your imaginative kid will enjoy stretching their creativity and bringing their inner world to life. You can expect 4 projects from this class- with one being shown at the Art Show on July 20th!</p> |
| <p>Comics: Bringing Our Stories to Life <i>Ages 6-9</i> Have you wanted to make up your own superhero? Or perhaps you prefer making up stories about your pets? If you like writing and drawing stories, then this class is for you! In this class, students will learn to illustrate their characters and stories and create their own comic book. Students can expect to take home at least 1 polished comic book that is 5 pages long. It will include a cover page and a full story- all created by your little artist!</p> | <p>Let's Make a Mess: Nature Edition <i>Ages 8-12</i> Do you go outside and want to paint the vibrant flowers? Do you want to draw an illustration of a possum in a tree? In this class we will draw illustrations of nature using black ink, colored pencils, watercolors, and acrylic paints. We will go step by step on how to use each medium effectively. By the end of this class we will have at least 5 different illustrations inspired by the great outdoors!</p> |
| <p>Dot, Dot, Seurat! <i>Ages 6-9</i> Let's paint with dots! Pointillism is a technique of placing lots and lots of small dots to form an overall image. Campers will become familiar with pointillism by viewing paintings by Seurat and other notable pointillist painters. Together we will paint dots and glue small paper dots to make art fit for a museum; Let's create beautiful artwork one dot at a time! Campers can expect 2-3 finished pieces from this class.</p> | <p>Wonderful World of Weaving <i>Ages 8-12</i> Meditative, tactile, and colorful! This weaving class introduces your child to the basics of weaving, using simple techniques to make different combinations of color and design. The end result of the class is always a big surprise as no two weavings are alike. Campers will use fabric, yarn, and paper in their weavings. You can expect 2-4 pieces from this class!</p> |
