

BUTTERFLY LOCATIONS

Embark on a creative adventure and explore the City of Clemson through its enchanting fiberglass Butterflies! These handcrafted treasures are nestled in various locations, waiting to be discovered. Some spots may even host a flutter of these artistic creatures! We invite you to seek them out, admire their individual designs (each accompanied by a description), and share your butterfly encounters with the community by posting your pictures and tagging @clemson_arts. Enjoy the beauty and artistry that has taken flight in Clemson!
